

Ask an ABA Expert

When parents are involved and active participants in the ABA therapy process, outcomes tend to be more positive. This 2 hour workshop is designed for families currently with an ABA program, or about to begin an ABA program.

Instructor: Kelly McKinnon-Berminham, MA, BCBA

- Learn ABA terminology, why it is evidenced-based and when it is effective with children with Autism
- Learn to effectively communicate with your ABA team
- Identify individual & family needs and learn how to incorporate them into your child's ABA program
- Prepare yourself to participate in the ABA assessment process

For information or to register, contact our Education & Training Coordinator at centertraining1@uci.edu or call 949-267-0471.
