

# Transition to Adulthood Series

## SAVE THE DATES!

The Center for Autism & Neurodevelopmental Disorders, with support from *Life College*, is offering a series of interactive panel discussions to provide parents and caregivers of adolescents and young adults with autism the support and knowledge to promote a more successful transition to adulthood.

Topics will include:

- Parental Perspectives
- Financial Planning
- Post High School Options
- Current Research on ASD and Transition
- Building and Maintaining Positive Relationships

Please join us for a single evening or the entire series.
