

Sleep Time & Morning Routines

Establishing routines are not always easy. If you are having trouble with your little one wanting to go to bed or staying in their own bed, this class is for you! This 2-week workshop will provide parents of children with ASD and other Neurodevelopmental Disorders with individualized, hands-on, practical support to help you create a routine to getting a better night's sleep.

Instructor:

Behavior Intervention Director, Kelly McKinnon-Birmingham, MA, BCBA

For more information or to register, please contact our Education & Training Coordinator at centertraining1@uci.edu or 949-267-0471.
