

THE CENTER FOR AUTISM  
& NEURODEVELOPMENTAL DISORDERS

# THE ART OF CREATIVITY: DISCOVER YOURS

The Center for Autism and Neurodevelopmental Disorders has partnered with the Chuck Jones' Center for Creativity to bring children and young adults diagnosed with an autism spectrum disorder and other neurodevelopmental disorders ages 4-22 an opportunity to explore their self-expression through art and other mediums.

Space is limited and registration is required!  
*see reverse side for more details*

**\* COST:**

**WORKSHOPS: \$20.00 PER CLASS**

\* Sponsorships are available

**LOCATION:**

**THE CENTER FOR AUTISM &  
NEURODEVELOPMENTAL DISORDERS**

2500 RED HILL AVENUE STE 100  
SANTA ANA, CA 92705

---

**WORKSHOP A (AGES 4-9): EXPERIMENTATION**  
**FRIDAY, JANUARY 26, 4:30-6:30 PM**

Participants in this class will work with the artist team painting with non-traditional tools, creating drawings with objects and learning how to draw Chuck Jones' famous White Seal.

**WORKSHOP B (AGES 10-15): 3D TACTICLE**  
**FRIDAY, FEBRUARY 2, 4:30-6:30 PM**

Participants in this class will work with the artist team choosing an animal or combination of animals that they choose. Using hand molding techniques they will watch their creatures come to life, while they learn how to draw Chuck Jones' famous Bugs Bunny.

**WORKSHOP C (AGES 16-22):**  
**3D CONSTRUCTION WITH COLLABORATION**  
**FRIDAY, FEBRUARY 9, 4:30-6:30 PM**

Participants in this class will work with the artist team to break into Acme Inventor groups, working together to collaborate, conceptualize and construct a Road Runner catching device with moving parts using simple machines.

**Registration is required!**

**Call us at 949-267-0480 or email us at  
wellness1@uci.edu to RSVP.**
