Transition to Adulthood Workshop Series

Come and learn more about the additional supports that are available for young adults with special needs. This transition series is recommended for parents or caregivers of child age 13 and up. The Center for Autism & Neurodevelopmental Disorders is collaborating with Clients' Rights Advocacy and Community Legal Aid SoCal to provide this workshop series that is supported by a grant from the CA Department of Developmental Services (DDS).

**Monday, September 14th 6:00PM-8:00PM**

**Presenters:** Community Legal Aid SoCal

**Topics:** Conservatorship

---

**Monday, October 5th 6:00PM-8:00PM**

**Presenter:** Clients' Rights Advocacy

**Topic:** The benefits of alternatives to limited conservatorship.

---

**Monday, November 2nd 6:00PM-8:00PM**

**Presenter:** Clients' Rights Advocacy

**Topic:** SSI, Medi-cal and Cal Able

The following questions will be answered: What will happen to these services once my child turns 18? How to prepare before your child turns 18? How to apply for these services?
