Success in Special Education:  
A Workshop Series for Parents & Caregivers

**Fall 2020**

The Center for Autism & Neurodevelopmental Disorders offers a series of interactive workshops designed to provide easy-to-understand information about Special Education. These workshops will help families become active and knowledgeable IEP team members with a focus on collaborating with schools.

We highly recommend that parents attend a Special Education Basics workshop before attending the Advanced Workshop.

**Cost:** $20.00 for Special Education Basics and $40.00 for the Advanced Workshop. Sponsorships available upon request for families in need of financial assistance.

Workshops are currently being held on-line through ZOOM. Parents can access the workshop through a computer, tablet or phone. A link will be provided with registration.

**Register today:** Register and pay online or contact our Education and Training Coordinator at centertraining1@uci.edu or 949-267-0227. Payment is due at the time of registration.

**Questions about the workshop?** Please contact Jeanne Anne Carriere, Ph.D., Families and School Together, jcarrier@uci.edu or 949-267-0448.
