

Puberty, Hygiene, & Health: For Boys

The transition into the teen years can be difficult and exciting for boys with autism spectrum disorders and their families. Let our experienced team teach and guide you through the process. These educational classes focus on what the child and parent should expect as boys become adolescents.

Online Class Dates:

Fridays, **June 10th, 17th, & 24th**

Time: **3:45-5:00pm**

Cost of the 3-week course is \$100 per participant. Scholarships available upon request for families in need of financial assistance.

Payment is due on or before :
June 3rd, 2022

* 48-hour cancellation notice will be provided by The Center if classes are rescheduled.

Registration is required. Please enroll online [HERE](#) or call (949)267-0450 or email us wellness1@hs.uci.edu
