UCI Health | Center for Autism and Neurodevelopmental Disorders

ALL ABOUT ABA

with Michele Ocen, Ph.D., BCBA

WHAT IS ABA?
WHAT WILL IT DO FOR MY CHILD?

This training will provide parents and caregivers with information about:

- What is ABA treatment?
- How can ABA help my child?
- How ABA is an effective treatment
- How to access ABA through insurance and receive assistance for co-pays through Regional Center, if needed
- How to work with your ABA provider to create goals for treatment
